No

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No

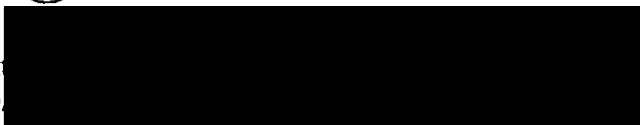

- What do you feel could have been done to make your area safer:-
- Before the flood Council clearing of causeway pipes from debris and clearing of creeks.
- During the flood
- After the flood Perhaps where possible some access areas could be changed so that in future these areas are not left remote - such as causeway on Jones Road Withcott. New subdivisions in these areas are increasing population but road development to improve access is not!!
- Other Questions or Statements.

Fires in our area 2002 - Redwood Park was always to be cleared and kept clean - However nothing has been done - God help us next time!!
