PLEASE RETURN WHITE PAGES

- Have you ever been advised of a flood management plan?

No we haven't.

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No we haven't

- What do you feel could have been done to make your area safer?

- Before the flood cleaning out of the creek banks, railway line at ground level, or with pipes under the line to allow water to flow thru.
- During the flood Helicopters that could fly at night, swiftwater rescue on the Helicon side of Grantham.
- After the flood Help such as medics at the Grantham School, even at daylight on Tues. the 11th help didn't arrive.

- Other Questions or Statements. -

we are ~~not~~ wanting answers to why we were not given any warning, why no help came when we were all at Grantham School & why there has been such a lack of information unless you want to go to the public meetings in Grantham. Perhaps a web page as a central point of contact & links.

Ensure the questionnaire is filled out.

Complete cover sheet for submission.

Return this form with your submission.

- Do we need an early warning system for floods?  
 of course we do.
  
- Have you ever been involved in a local meeting about flood early warning system?  
 No we haven't
  
- Would an early warning system work?  
 Yes I feel it would.
  
- Had you been advised by Council, or State Government, the highest flood levels in your area?  
 No, when we purchased our home we assumed that our property had been built to flood level specifications
  
- Had you ever received evacuation information for flood / landslides / fires?  
 No we have not

Please turn over.
