PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

Yes - It would be very beneficial

- Have you ever been involved in a local meeting about flood early warning system?

No.

- Would an early warning system work?

Yes. When I

On the Sunday before the flood I moved all my valuables, up on top of benches, beds + cupboards because I believed it would flood. If only others were so lucky

- Had you been advised by Council, or State Government, the highest flood levels in your area?

No.

- Had you ever received evacuation information for flood / landslides / fires?

No. When

Please turn over.

PLEASE RETURN WHITE PAGES

- Have you ever been advised of a flood management plan?

No.

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No.

- What do you feel could have been done to make your area safer:-
- Before the flood - Early warning system ~~earlier~~
- meaning people could save valuables and go somewhere safer.
- During the flood
I believe that I was in Brisbane during the flood.
- After the flood
This was handled amazingly. The spirit and generosity of strangers helped me get through this difficult time.
- Other Questions or Statements.

The government providing

a) rubbish pick up

b) water!!

c) the evacuation centre in Gatton were all significant in helping.

Ensure the questionnaire is filled out.
