PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

Yes, we do. Brisbane had days of warning that the floods were coming. Here, at Withcott, we had none. A text to a mobile number would be a great place to start.

- Have you ever been involved in a local meeting about flood early warning system?

No.

- Would an early warning system work?

Yes - texted to mobile phone numbers would be a great start.

- Had you been advised by Council, or State Government, the highest flood levels in your area?

No.

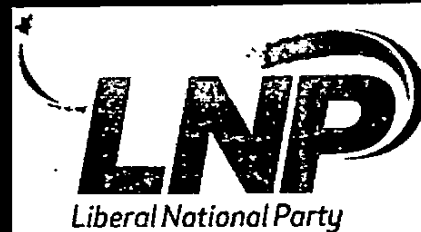

- Had you ever received evacuation information for flood / landslides / fires?

No.

Please turn over.

- Have you ever been advised of a flood management plan?

No.

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No.

- What do you feel could have been done to make your area safer:- MORE WARNING.
- Before the flood - Water table areas should have been maintained + kept clear of overgrowth. Bridges should have been built higher.
- During the flood - More Helicopter Search + Rescue teams sooner.
- After the flood - MORE WARNING. Needed quick solutions to bad roads, including huge potholes that appeared. Quicker restoration of power (6 days with out)
- Other Questions or Statements. + of water (we were 8 days without).

Ensure the questionnaire is filled out.
