A man with grey hair and glasses, wearing a white button-down shirt and dark shorts, is sitting on a wooden deck. He is leaning back in a wooden chair, resting his head on his hand, and looking at a laptop on his lap. To his right is a vertical height scale with markings from 0.4 to 2.0 meters. The background shows a body of water and greenery. The bottom of the image has a blue wavy graphic.

A photograph showing a large, dark tree trunk leaning against the side of a house. The house's roof is damaged, with some tiles missing and wooden beams exposed. A measuring tape is placed vertically against the tree trunk for scale, showing measurements from 0.4 to 2.0 meters. The house has light-colored siding and a window with a black frame. The background shows more trees and a clear sky.

**Make sure your  
home and yard can  
weather the storm.**
