

MARCH 2011

## Council news...

### HOLIDAY PARK AND KIOSK

New resident Managers Di and Don Brickell welcome you to come in and try their sumptuous food and wide selection of cool drinks at the Moore Park Beach Kiosk. While the Holiday Park is nearly full for Easter, we ask for your help to spread the word that the Holiday Park is now offering tidy sites, clean amenities and a friendly welcome to visitors.

### DRAINAGE

Council continues to work on drainage issues at Moore Park Beach. The tide gates immediately down stream of Moore Park Road (nearest Gengers Road) have been bypassed and the bank open since late February. The effects of this work is being modelled in consideration of upgrading the existing tide gates. Drainage works were completed adjacent to Heron Close to the north of Moore Park Beach and have successfully resolved the ground water problems in this location. The tidal creek running to the Kolan River to the north was found to be in no way related to this problem. Monitoring is ongoing for several roads within Moore Park Beach suffering from ground water intrusion, but, as we all know, a lot of the problem is the high water table, the highest ever recorded. One solution being looked at is exfiltration drains. Anyone wanting more information is urged to contact Council.

### DUCKPOND WATER QUALITY

Concerns have been raised about the biological quality of the water in the Duckpond. The results of independent testing that were provided to Council were typically in line with a closed water impoundment that is part of a heavy natural fauna and flora environment and similar to those of other closed aquatic systems such as Money's Creek Lagoon at Bargara or the Botanic Gardens Lagoons.

### MOSQUITOES

Following the recent floods, Council enlisted the aid of three groups of Vector Control Units that volunteered their time to assist Council staff to investigate, map, treat and monitor mosquito breeding sites. At Moore Park Beach no breeding was found in any of the major lagoon areas and waterways. Smaller water ponds in Royal Boulevard, Sylvan Drive and Moore Park Road were found to be breeding areas and were treated. In early February a complete letter box drop was done to advise residents of the need to be vigilant with household container breeding sites. In mid-February a small house to house survey was conducted. The majority of the houses surveyed were found to have containers that were potential breeding sites. We ask that everyone continue to be vigilant. Please contact Council if you would like another copy of the "Give Mosquitoes the Flick" flyer.

### RIVER ROAD BOATRAMP

Council has applied to Qld Transport Marine to provide funding for the Boat Ramp and was unsuccessful for 2011/12. Even though the project has been added to the list for Qld Transport Marine 2012/13 budget consideration, the site is still subject to a favourable feasibility study. Council is still in negotiations with Bundaberg Sugar to acquire land for the car park, subject to this feasibility study.

# Council news...

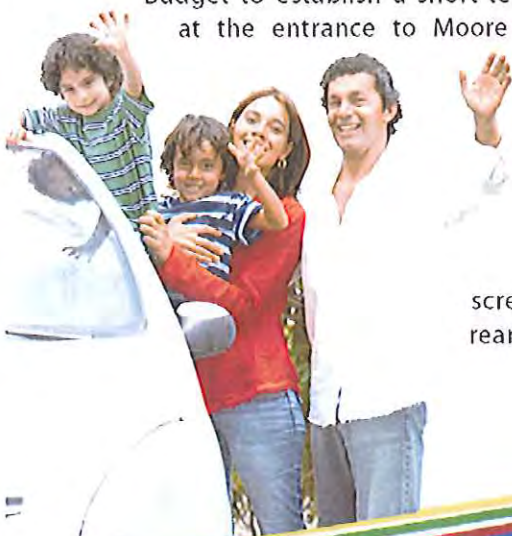

## HOLIDAY PARK & KIOSK

The Easter holidays were a good "test" for the new Managers of the Holiday Park, with many favourable comments. Pop in to meet Di and Don at the Kiosk and try their sumptuous food and wide selection of drinks and snacks.

## WELCOME AREA APPROVED

Following "in principle" approval by the Department of Transport and Main Roads, Council has resolved to include funding in the 2011-12 Budget to establish a short-term stop area at the entrance to Moore Park Beach.

As well as a locality map, the area will be landscaped with a vegetation screen along the rear boundary of the site.

## ROADWORK PROGRESSING

Council crews and local contractors continue work in repairing the extensive damage to Council's road network, following the recent floods:

- Several culverts in Hills Road were replaced
- Extensive pavement reconstruction has been done in Vercellios and Moorlands Road
- Zandes Road remains too wet for crews to begin reconstruction work.

Consultants LGIS are finalising Council's submission to the Queensland Reconstruction Authority for the remaining damage to the road network.

## DRAINAGE UPDATE

Record high water table levels continue to impact on drainage in the Moore Park Beach area. After extensive research and modelling of the landscape and existing drainage network, Council is investigating the feasibility of two projects:

- Engineering Consultants Cardno has been engaged to undertake a detailed design of an exfiltration system for Sandpiper Grove and Royal Boulevard, in order to alleviate road inundation. This design work will be completed in 3 months so costings can be done.
- Further maintenance will be undertaken in the drainage reserve from the lagoons to Palm View Drive as conditions of the site improve to allow access. Council has called for quotations for the Preliminary Investigation and Costing of alternative drainage outlets for Murdochs Road. Extensive negotiations with the Department of Environment and Resource Management and private landholders will be required before any site work can be done.

Council appreciates residents' cooperation and patience as this work is carried out.

AUGUST

## Council news...

### DRAINAGE UPDATE

Engineering consultants Cardno have been engaged to work on a number of drainage projects at Moore Park Beach. The detailed design on Sandpiper Grove and Royal Boulevard exfiltration systems is continuing, while the design and costing of the Murdochs Road drainage outlet is also underway.

### BUNDY IN BLOOM

Throughout the entire region, Spring is celebrated and events held as part of Bundy in Bloom. Check out our Bundy in Bloom Regional Program, which will be available in early August from Council's Centres, Libraries, Neighbourhood Centres and on our website. And if you have a "green thumb" make sure you enter the Garden Competition.

One of the highlights is the Bundaberg Regional Council Bundy in Bloom Parade and Family Fun Day on 11 September from 2.30pm. Celebrate Spring and join in the festivities as Bourbong Street comes alive with the colours and sounds of Spring. The parade will make its way down Bourbong Street from 2.30pm to Alexandra Park where, for the first time, Bundaberg will host the Telstra Road to Discovery. This national music talent development program is sure to provide you with quality entertainment from emerging independent artists. There is lots of other free entertainment, with markets, food and kids activities. For more information visit the website or phone the Call Centre.

### NEW INITIATIVES AT MONCRIEFF

If you're looking for something to do on a Sunday, Moncrieff Theatre is the place to be, with movies now being screened every Sunday afternoon. Moncrieff Theatre has another exciting and affordable initiative underway - Thrifty Thursdays, with tickets just \$6. For full details on movies and stage shows at the Moncrieff visit Council's website: <http://bundaberg.qld.gov.au/moncrieff/> find them on Facebook (Moncrieff Theatre) or phone them on 4130 4100.

### SHOWCASE FOR SENIORS' SERVICES

Registrations are now open for community groups and businesses to be part of the Seniors and Healthy Lifestyle Expo, to be held 23rd August at Bundaberg Civic Centre and Anglican Church Parish Hall. Registrations close Friday 5th August and the site payment of \$10 includes morning tea and two lucky door prize tickets. To secure your site, send your payment of \$10 together with your registration to: COTA, PO Box 76, Bundaberg Qld 4670. For further information about the Seniors and Healthy Lifestyle Expo please contact Council's Sport and Recreation Section on 1300 883 699 or refer to Council's Events website <http://bundaberg.qld.gov.au/events>.

### NEW ONLINE COMMUNITY DIRECTORY LAUNCHED

Finding community groups and support agencies will now be even easier, with the launch of an online Community Directory, developed by Bundaberg Regional Council in conjunction with Bundaberg Community Development Inc (BCD).

The new Online Directory lists the vast majority of community groups, support agencies and sport and recreation groups in the Bundaberg Region. With two clicks, you can find out basic contact details of any organisation; within three clicks, you can find out even more up-to-date information about these organizations. The online Community Directory also contains a number of topical newsletters, a Welcome Kit for new Residents and information on Learning Opportunities. The user-friendly website was developed by Council's Community Services and IT branches, along with Worldwide Online Printing. It can be found at: [www.bundyregionconnect.qld.gov.au](http://www.bundyregionconnect.qld.gov.au)

# Council news...

## SANDPIPER GROVE AND ROYAL BOULEVARD EXFILTRATION SYSTEM

Engineering consultants Cardno have completed groundwater model calculations and soil moisture analysis with the design of an exfiltration system almost complete. Council expects this work to be completed in November and has commenced negotiations to obtain necessary easements at Sandpiper Grove.

## MURDOCHS ROAD DRAINAGE OUTLET

Cardno were engaged by Council to design and cost three outlet options to help dissipate water in the Murdochs Road Drain (including redefining the existing channel downstream of the Gengers Road tide gate). Preliminary acid sulfate testing of soils has been completed and significant work has been completed on a 600 hectare fine-scale drainage model incorporating engineering survey and airborne laser scanning with both flooding and tidal scenarios developed.

The three mitigation options are being assessed in order to finalise designs and Council expects this work to be completed in November.

## CRUSH FESTIVAL KICKS OFF FOR 2011!

The annual CRUSH Festival is back for 2011 with a massive 51 events as part of the arts and culture program that runs for the whole month of October. There are plenty of fun, free, family activities as well as 11 art exhibitions, workshops, local art and craft open days, the Sydney Travelling Film Festival, art markets and theatre productions. There is something for everyone at CRUSH 2011.

### FREE ERGON ENERGY MOVIE UNDER THE STARS

Bring your picnic, pillows and family for a movie under the stars at Moore Park Beach on Saturday 8th October. Jumping castle and food from 5:30pm, movie kicks off at 6:30pm. UP! is a Disney Pixar animated film and follows an elderly mans exciting adventure across the seas to explore new lands.

### BUNDABERG BROADCASTERS JAZZ ON THE BURNETT RIVER QUEEN

Come and cruise down the beautiful Burnett River Sunday 2nd & 16th October, enjoying tunes from the Stuart Wadham Trio, nibbling on platters of cheese and other gourmet assortments and sipping on wines from local wineries. Tickets are \$35 and available by calling Dale (owner) on 0419 528 228. Tickets are limited so book now.

### GET ONBOARD REGIONAL EXHIBITIONS BUS TOUR

There are so many art exhibitions, come and take a day out with us on Sunday 23rd October to explore them all! Starting at BRAG, visiting the Bundaberg exhibitions, moving onto Childers and then Gin Gin - you won't miss out on any of the art that is on show. Tickets are \$28 and available from the Moncreiff Theatre now.

## President's report

“Welcome to the August 2011 edition of “Shorelines”, the official publication of the Moore Park Beach Community Association.

Another year has passed with its myriad challenges and opportunities for the community and the Association. From floods over Christmas and the New Year to advances into the electronic sphere, times have been challenging for all. The next 12 months will present new and different challenges as the Association strives to maintain and enhance its charter of advocating for the community to external stakeholders.

The major achievements for the Association since the 2010 AGM include the funding of several community events (Christmas Carols, Festival of Arts, ANZAC Day commemorations) and the launch of the community online portal, allowing local businesses and sporting groups a worldwide audience at zero cost. The Committee thanks Lee Rowlands of The Rowlands Group for providing much needed technical and other support in establishing and maintaining the portal and George Shuter for the photographic material. Thanks also to the many local groups and organisations who have supported the site.

As mentioned in my previous Report, I will not be nominating for any executive role with the Association for the upcoming year – however, I will offer my services to help keep the web portal as a leading source of information for Moore Park Beach. Volunteers are needed to help run the Association (typically no more than 6 hours a month) and events (a few hours per event). Without the community's involvement, the ability for the Association to represent you, the community, is

# Annual general meeting shorelines

The Moore Park Beach Community Association Annual General Meeting will be held on August 28 starting at 10am and will be followed by a cooked brunch for all financial members of the Association.

With all positions on the Executive declared vacant this will be a great opportunity to be part of a new and exciting change in direction taking place in Moore Park Beach with the Shopping Centre complex, new management at the Caravan Park and new owners at the Motel showing that the area is on the cusp of growth and residents are encouraged to be part of the Association's management team working closely with these businesses.

Nominations for the positions of President, Vice President, Secretary and Treasurer are called for and can be made on the Nomination form below prior to the meeting by emailing the form to the Secretary [gandashuter@clearmail.com.au](mailto:gandashuter@clearmail.com.au) or at the meeting. Voting is open to paid up financial members. Membership fees must be paid prior to the commencement of the meeting.

The Order of Business for the meeting will be as follows:

1. Meeting open and President's welcome
2. Confirmation of meeting minutes – 2010 Annual General Meeting
3. Receipt and consideration of Association 2010/2011 Annual Report, including audited financial statements
4. Election of office bearers for 2011/2012 year
5. Appointment of Auditor for 2011/2012 year
6. Conferral of Life Membership (subject to formal receipt of any application 21 calendar days prior to meeting)
7. Meeting close

## Nigel's story

On July 23 Nigel Brennan, his sister-in-law Kellie Brennan and sister Nicole Bonney, co-authors of "The Price of Life", the story of Nigel's kidnapping and subsequent release after ransom money was raised and paid to the hostage takers, held a book signing at Zest Restaurant.

But behind this quiet man is another story. A story of a boy who grew up on the land, who harboured a desire to see the world, help his fellow man by using his camera to let the world know that there are millions of people who need urgent and serious help.

So what led Nigel to take that path. I had the pleasure of speaking with him and his family about the boy who couldn't change those peoples' lives but inexorably changed their own.

Growing up on a property, Nigel never felt the pull of the land. After finishing at boarding school, he went to Sydney where he studied Hospitality Management. At the conclusion of the course he returned home to Moree for 18 months.

In 1996 Nigel began to travel; through Asia to Europe and then through India and Nepal. He bought his first camera soon after.

## shorelines

In 2000 he returned home for a family wedding and he thought of going into business with his brother, but decided that he would undertake another course so began his love affair with the camera, when he enrolled in a BA majoring in Photojournalism. After reading "One Crowded Hour" and "Frontline", he knew where his passion lay.

In 2004 Nigel built a home in Moore Park Beach, but still restless he returned to the UK. In 2006 Nigel went to Ethiopia on a photographic assignment for International Rescue Committee at Addis Ababa.

Again the call of home brought him back to Moore Park Beach and at this time a friend mentioned that NewsMail were looking for a photographer. Nigel submitted his portfolio and for the next 12 months worked locally

while helping to build his parents' home. But he wasn't about to put his feet up on the beach so in 2008 he headed for Scotland for 6 months. He contemplated going to Afghanistan, but changed his mind, and direction, and went to Somalia. The rest, as they say, is history.

Nigel's experience is now available in his book "The Price of Life"

## mpb Playgroup

Moore Park Beach Community Play Group would sincerely like to thank the Queensland Government and Play Group Australia. Our Playgroup applied for a grant from the Government for \$1,500.00 worth of toys, musical packs and craft tools. The toys arrived just prior to the School Holidays. It was as good as Christmas Day! The kids were very excited as the parents joined together and, ever-so-skillfully, put

together trikes, a car, a sit-on bike that rides up and down hills as well as tactile walking paths.

Everybody had a great day. Many

thanks again to Queensland Government and Play Group Australia for helping co-ordinate our brand new toys and games.

We would love to meet more kids and adults on Tuesdays at the Community Hall, Moore Park Beach. A LARGE welcome is offered to new

## shorelines

Mums Dads, Grandparents and care givers to come and join us for playgroup during term time from 9am to 11am. \$2.50 includes craft, games and tea and coffee. *Jenny.*

## Fire burnoffs

Moore Park Rural Fire Brigade has been busy attending 2 fires on Pacific Boulevard where we did significant backburning. Also, we had 2 calls to fires in the lagoon area adjacent to Orchid Drive and have also been doing some hazard reduction burns. Over the next 2 months we will be doing more hazard reduction burning.

We need more members, if you are interested, call Greg on 0427598526, or come along to the Fire Station, 1st Saturday of the month at 8.30am.

**WARNING** - Some residents have received calls asking for donations for the Moore Park Rural Fire Brigade. These calls HAVE NOT come from us.

*Greg Matthews, First Officer, MPBRFB*

# shorelines

Zest Restaurant/Cafe and Takeaway was established 4 years ago by owner / chef Wayne Bryans and his wife Susan. As Wayne says "It's our aim to provide a friendly, pleasant eatery where everyone feels welcome and comfortable!"

Wayne creates all the food himself and is assisted by his new apprentice Natasha. "Customers are constantly commenting on how real the food tastes, he said, "that's because it is. We make it all, most of which is gluten free."

Moving from England to Sydney in 1994 and to Moore Park Beach in 1998, Wayne has been instrumental in establishing several restaurants in Bargara and Bundaberg. "But being local people, we thought

we'd try something a little closer to home and so took on the restaurant here at Beachside Central. 2 years ago we added to the alfresco area by covering the patio which really defines the outdoor dining, providing shade and shelter."

As a licensed venue, there is a fine selection of beers and wines but the restaurant caters for BYO with a corkage charged.

Zest is also the home of Welcome Creek Fine Foods – a range of preserves and chutneys which can be found in discerning food outlets in Bundaberg and are available at the restaurant.

Located at Beachside Central Shopping complex in Sylvan Drive, Zest is open Wednesday to Sunday for breakfast, lunch and dinner. Dining reservations can be made by calling 4159 8055.

## harvey norman donation

Recently the Moore Park Beach Community Association took delivery of 2 new pieces of kitchen equipment thanks, in part, to the generosity of Harvey Norman, Bundaberg.

The Association was in need of a new urn, with the old one well past its 'used by date', so when the Executive approached Harvey Norman's George Hillyard, he was quick to offer a donation of a piece of equipment if the Association would purchase another. Knowing that an urn was needed it was decided to purchase the urn and select the microwave as the donated item.

The microwave oven and 20 litre urn will make catering at the Community Hall easier when morning and afternoon teas as well as suppers are required.

The microwave oven was put to good use on the morning of the 'Greatest Morning Tea', when contestants in the "Cook Off" took advantage of its use, as was the urn.

The Association acknowledges the kindness of Harvey Norman and in particular George Hillyard and Garry Clark (photo) for their much appreciated help.

## Councillor's report

Council adopted the 2011/2012 Budget in July. The floods had a huge bearing on the Budget. As well as facing a flood damage bill of around \$50 million, ongoing challenges continuing to face Council include increased operating costs to meet new standards in areas such as Environmental Compliance; escalation in costs for utilities such as electricity and fuel, despite ongoing efforts to reduce consumption; the reduction in financial support from State and Federal Government; and increasing community expectation in demand for new and higher levels of service. We are mindful of the ongoing difficult economic climate and the increased financial pressure faced by our community, so Council has retained the 10% early payment discount on Net General Rates for all Ratepayers; and eligible pensioners will see an increase in the Council Rebate from \$90 to \$110 per year.

There was some good news for our community, including funds to reconstruct the car park near the Surf Lifesaving Club, installation of pathways on Sylvan Dr and \$500k for Drainage Design and to commence works at Sandpiper Grove.

The full budget is available to view at all Council Centres or on our website or contact me if you would like to discuss any aspect of the Budget.

It is wonderful to see the Moore Park Beach Holiday Park full for the winter season and hear the praise coming from visitors who have seen a great improvement in the park. Call into the kiosk soon and recommend the Holiday Park to visiting friends and family – you won't be disappointed.

Alan Bush

# shorelines

## carbon tax angst

Residents in the Flynn electorate are among the big majority of Australians who now realise they will be the losers under the Government's carbon tax.

Federal Member for Flynn, Ken O'Dowd said every opinion poll since the tax details were announced, reflected strong opposition from the public.

"Right around Australia, we have heard the stories of forgotten families who now realise they are at risk of losing household income because of the Green-Labor carbon tax," Mr O'Dowd said.

"This is a bad tax based on a lie, and people now know they will pay, many with their jobs. They realise the only way that they can stop the tax and keep their jobs is to put the PM out of hers.

"There is a growing wave of concern, not just in emissions-intensive sectors such as coal, aluminium and cement, but also in all the small businesses and communities that rely on those sectors," he said.

"The tourism industry, building and construction industry, retail, small business, transport and even the agricultural and horticultural industries are already forecasting job losses and that's just the beginning.

"The tax package announced offered no compensation whatsoever for people who lose their jobs," Mr O'Dowd said.

Unions and Labor supporters should heed the protests and make a stand against the Greens, who were dictating the terms against our major industries and placing thousands of jobs at risk.

Ken O'Dowd MP

#### Something new at the Festival - Art Auction

Do you have a painting by a well-known artist, but it doesn't fit into your décor anymore & you want to sell it? This could be for you!

An Art Auction will be held at 2pm on Sunday 14th August as part of the Festival. Bill Young of Ray White Auctions is donating his time as Auctioneer. A photo of the artwork and the artist's name are required with registration by 6th August. Only a limited number of artworks will be auctioned, with a small commission going to the Festival. To register your art for auction, phone Muriel on 4154 8331.

As well, the painting opposite, valued at \$1000, has been donated by the well-known iconic Australian artist Tom McAulay to be auctioned to assist the Festival. It will be on view at the Official Opening & prior to auction.

Also, see artists working in the Art Tent. Their work will be for sale.

## Bowls club news

It is a busy time of year for the Club with the very welcome Southern visitors staying in the Caravan Park joining us for bowls and meals.

While the Club welcomes them we family who have sold the Motel and owners, Jan and Charlie who, we the Club and other local businesses

Coming to the business part of the year with the Annual General Meeting on Sept 4 at 9am at the Club House all voting members are invited to attend. Committee nominations will be held and it is imperative that the incoming Committee is dedicated to the future of the Club. Further information will be placed on the notice boards closer to the date.

The Club has had a large increase in the number of social members. This shows how our community is growing and our Club will endeavour to provide a welcome to all new members and to continue to support local groups through raffles, entertainment, members' draws and friendly staff. Remember, there are no strangers in Moore Park Beach, just friends we have not met yet.

### MEN'S BOWLS REPORT

A very warm welcome to our Southern friends staying in the Caravan Park and who are enjoying our Club facilities. The Friday afternoon bowls with them is a great time.

Our annual Mens Fours Tournament was held early in July and drew bowlers from interstate as well as other Qld clubs. The combination of major sponsorship by Bundaberg Motor Group, good greens and weather and the hours put in by organisers contributed to the huge success of the Carnival. Thanks and appreciation to all sponsors, organisers and bowlers for your contribution.

### LADIES BOWLS CLUB NEWS

#### New Flag

On May 3 Mr Rob Messenger, Ind MP for Burnett presented President Barbara Trudgian with a replacement Queensland flag.

#### Von Hallett Day

Once again this year Von Hallett sponsored a Mixed Day which proved to be very popular with all bowlers enjoying the day immensely.

#### Carnival

A Carnival held at Hervey Bay was attended by Ros Bird, Dorothy Wingard, Joy Ryan and Rosalie Lind, all visitors from southern states. And although they didn't win, a great time was had by all.

#### Congratulations

Congratulations to the following ladies on a great

# shorelines

say a fond farewell to Dawn Peevy and are moving on. Welcome to the new are sure, will work in conjunction with to bring visitors to our area.

### LADIES BOWLS CLUB NEWS cont.

achievement at the recent District Triples and Pairs at Elliott Heads Bowls Club.

The Triples team of Fay Northover, Tania Adams and Helen Morton won this event. The Pairs team of Estelle Tippet and Margaret O'Rourke were runners-up.

In the **Champion of Champions Singles**, Helen Morton was runner-up and in the Fours Lynn Townson, Barb Trudgian, Phyl Rush and Betty Hagney were runners-up.

#### Junior News

Our new Junior bowler Samantha (Sammi) Sechtig teamed with Britney Wiley from Binjour Bowls Club to win the U/14 Bundaberg District Bowls Classic Junior Pairs. A great effort considering Sammi has only just taken up the sport.

In the 14/18 Yrs section another of our junior bowlers, Paul Kajewski teamed with Rikki-Lee Kemp and finished 3rd.

Junior bowlers are our future so let's continue to encourage them.

## PETE'S BISTRO

Friday and Saturday night.  
Win Club Vouchers which are drawn  
randomly. Must be present to win.

## glass on beach

Regular beach walkers have noticed an increase in the amount of broken glass on the beach with dangerous points often protruding from the sand and liable to cause severe injuries to unwary feet, particularly little ones and loved pets. This is not from bottles left on the beach, they are usually intact. This is from stubbies and mixers deliberately broken on fishing boats and trawlers in the belief that they will rest on the sea bed but unfortunately, they wash in on the tides just as shells and stones do.

Please be aware that this type of (illegal) easy disposal could result in permanent injury or death to anyone using our lovely beach. If you can carry the bottles out full you can certainly carry them home empty to be disposed of properly.  
Concerned Beach User (name supplied)

## shoelines census Night

Federal Member for Flynn Ken O'Dowd has urged residents in the electorate to complete the Census forms on the night of August 9, to ensure accurate information is available on rapid growth taking place in the region.

"It is crucial to communities, private institutions and all levels of government when planning infrastructure, community services and facilities where each of us live." "For example Census information helps to determine where schools, hospitals and roads are needed and obviously this information is crucial for the electorate of Flynn which is already experiencing rapid growth associated with the LNG industry and other developments," Mr O'Dowd said.

The 2011 Census marks 100 years of national Census taking and is conducted by the Australian Bureau of Statistics (ABS) every five years.

Census collectors will start delivering the documents from July 29. Participation is compulsory.

## Police report

For the month of April, two offences were committed, both on ANZAC Day. At one of the licensed premises in Moore Park Beach a complaint of Common

Assault was attended to and on the same day a male person was served with a Notice to Appear for the offence of Public Nuisance perpetrated in Murdochs Road.

In May, 2 offences were committed. Police investigated an offence under the Telecommunications Act in Kindt Street and later that month a 2003 Holden Sedan was stolen from Royal Boulevard.

The month of June saw 4 offences committed and Police charged a male person with possession of dangerous drugs, trespass and a Liquor Act offence in Club Avenue. The next week a male person was charged with high range drink driving, dangerous operation of a motor vehicle, wilful damage and obstructing Police. Over the following 2 weeks a male person was charged with a Liquor Act offence on Club Avenue and again a male offender was charged with stealing a motor vehicle and disqualified driving on Murdochs Road.

Up until July 13, two offences were committed, those being wilful damage to a letter box at Lagoon Drive and wilful damage to property at Heron Close.

## shoelines

Crime statistics reveal that approximately 800 entries are made per month in the Bundaberg Police Division including criminal, traffic, domestic violence, warrants, good order and child protection related investigations. Approximately 1% of these offences are committed in the Moore Park Beach area.

In and around Moore Park Beach there have been a total of 30 offences committed this year as compared to 31 in 2010 and 38 in 2009. We must continue to be vigilant with regard to home security, locking motor vehicles and not leaving valuables in vehicles. If you observe a crime in progress, phone "000". If a crime has occurred and the offender has left the scene, phone POLICE LINK on 131 444 or Bundaberg Police on 4153 9111. To report suspicious activity or drug information phone CrimeStoppers on 1800 333 000 or Bundaberg Police on 4153 9111.

## ex servicemen news

On July 6 about 37 people enjoyed a delicious "Christmas in July" lunch at the Bowls Club.

The tables were decorated with Christmas garlands to create a festive mood. The catering by Peter was excellent and was thoroughly appreciated by all.

## mpb Glass & security

Moore Park Beach's reputation as an ideal locality for families to live and grow is increasing with increased house building and many new families moving into the area.

One family, headed by Paul and Shannon Figallo, has recently moved from the Sunshine Coast to Moore Park Beach bringing not just their family but their well established glazing business too.

Paul is looking forward to expanding his business and has opened up Moore Park Beach Glass and Security. With 17 years experience in the glazing industry Paul brings to the Bundaberg region a wealth of knowledge not just in glazing but also in home security, offering general repairs, glass window and door replacement, locks, fly and security screens as well as splashbacks, mirrors and wardrobe doors. New building work is also part of Paul's service.

As his parents are long time residents in the area, Paul and Shannon decided that it was a prudent time to move their young family and they look forward to becoming involved in local activities, groups and school. He also hopes to find time in his busy day to enjoy his other interests of boating, fishing and surfing.

Paul is available for call outs. He can be contacted on 0412 051 005 or 4154 8874.

## sho relines

### Shopping centre news

Recent good weather has proved a real bonus for the developers of the Moore Park Beach shopping complex allowing for a high level of activity on site; subsequently the building is now ahead of schedule and it is anticipated that the major tenant, IGA, will open early November.

Edward Masterson of Primo Property recently commented that due to the builder's strong commitment to the project, the proposed occupancy of the shops is progressing well, with talks between the company and various interested parties among others, Doctors, being held.

There has been a good level of enquiry from serious tenants including cafe, hardware and newsagency operators but Mr Masterson believes that there is room for more local service businesses to join the mix including a hairdresser, clothing and children's outlets as well as an Asian takeaway.

With strong support for the complex from IGA and the Bundaberg Regional Council, the developers would like to see the Centre open with a full complement of stores offering Moore Park Beach residents and visitors the opportunity to shop locally.

Interested and prospective tenants should contact Beachside Moore Park Real Estate, who are the appointed letting agents and initial point of contact, on 4159 8588, email: info@beachsiderealestate.com.au or Mr Masterson on 0409 471 558 with any enquiry.

## School news

### Science Day

Trainee students from C Q University came to Moore Park State School to show some science experiments. Students from Prep to Year Seven enjoyed experiments such as lava-lamps, cyclones, goo and so much more! Some of the amazing experiments were taken home to keep, admire and try to explain to parents. Overall the day was a success putting a "science smile" on every child's face.

### 50 Years of Music

Social theme for Term 2 was '50 Years Of Music'. Dress was either singer, rock star or a band from the 60's, 70's, 80's 90's or present time. Many brilliant costumes such as colourful hippies, Crazy Rock Gods and Alice Cooper rocked up. Everyone noticed Chloe Harris (KISS), Elisa Harris (Ke\$ha), and Taylor Collins and Sarah Salmon (Hippies). It was a very successful social.

### Sporting Achievements

Three Moore Park students made Wide Bay Teams and travelled to attend various sporting events, competing in different sports including AFL, Discus, Shot Put and Rugby League.

Sam Kunze, (AFL) who also made and represented the Queensland Country Team played at Sandgate in Brisbane. Sam represented the Wide Bay team as captain. Martin Powell represented Rugby League and played for the Wide Bay team in Ipswich. Emily Fisher is the Wide Bay representative for Discus. She will go to in Brisbane in August.

### Under 8's Day!

On June 17 was our wonderful, fun-filled Under 8's Day. Prep's-Year 3 spent their morning playing with slime and hitting it off at mini golf instead of the usual school day routine. Parents and littlies came and had an awesome time. The air buzzed and everywhere you looked there were smiling, exultant faces. The Year 7's ran the show brilliantly but without the big help and organisation of Mary-Lou and Cheryl there would not be an Under 8's Day.

## sho relines

### Walk to School Day.

Walk to School Day in Term 2 had 100 students participating. Students met at 8:15am. Mr Morcom, Mrs Coates and Mr Evans led the students to School. Walk to School Day is an Australia wide tradition that provides health and road safety for all ages. Student leaders, Maddy, Mackenzie, Fletcher and Ben gave all walkers an extraordinary sticker. It was a free dress day too which made it an even more enjoyable day.

### Yr 6/7 Sailing Day

Last term Yrs 6 and 7's assignment, based on the America Cup was to make a boat that had a keel, could float and sail. Students got creative and used their imaginations using cement, plastic and wood. Later the boats were tested in an annual Boat Race! 4 boats stood out. 4th was Jessica Newland with her boat made entirely of foam. 3rd Mackenzie Vohland with her boat "Flower Power" made of milk bottles and a flower sail. 2nd Gregory Chapman with his boat made of some sort of cement that floated perfectly and 1st Jak Taylor's bamboo boat.

### Robotics Fun

Robotics was a smash hit this year for Yrs 4/7 entering the Regional Challenge at the University. Students had some great experiences. Six teams entered with hopes of winning the Jungle Challenge where they had to perform a play to present and describe a new creature they had found and what it could do. Others entered the Mystery Challenge that had them trying to get the robot through a course with only a couple of hours of programming. Some teams came 2nd or 3rd but 1 (The Black Ninjas) made up of Madison Guidice, Mackenzie Vohland, Dylan Cross and Fletcher Coates came 1st.

### Moore Park State School Book Fair!

Year 6 had the exciting job of holding the 2011 Book Fair. It was a big hit with over \$2500 raised. The school purchased \$400 worth of books that were displayed. We would like to thank to Mrs Coates and Yr 6. Thanks everyone who bought a book from Book Fair.
