**Important Advisory Notes and Disclaimers:**

The information provided on these plans relates to the potential inundation of roads during a 1 in 100 year flood. It is not intended to be used as a basis for any other flood risk assessment or insurance purposes. Many other factors can influence the extent of flooding, including wind, debris, and structural failure. The information provided is based on the best available data and is subject to change without notice. The Council does not accept any liability for any loss or damage, including consequential loss, arising from the use of these plans. The information provided on these plans is intended to provide a general overview of the potential inundation of roads during a 1 in 100 year flood. It is not intended to be used as a basis for any other flood risk assessment or insurance purposes. The information provided is based on the best available data and is subject to change without notice. The Council does not accept any liability for any loss or damage, including consequential loss, arising from the use of these plans.
