

Statement by Daniel Thomas Spiller, affirmed on 7 February 2012

I, Daniel Thomas Spiller of Level 15, 53 Albert Street, Brisbane, Queensland, Director, Operations, of the SEQ Water Grid Manager (**Water Grid Manager**), affirm the following:

1. I have previously provided three statements to the Commission, they having been made on 13 May 2011 (**First Statement**), 17 May 2011 (**Supplementary Statement**) and 1 February 2012 (**Third Statement**).
2. During the course of my preparation to give evidence, I have identified an error and an inconsistency in my statements, which I set out below.
3. Annexure A to my Third Statement is a Chronology of my communications between 6 January 2011 and 11 January 2011 (**Chronology**). In paragraph 59 of that Chronology, I refer to Mr Barry Dennien having a meeting with the Premier and Mr Ken Smith to discuss the prospect of commissioning an independent review with respect to the operation of Wivenhoe Dam. I identified that conversation as having taken place after a meeting of the State Disaster Management Group at 5.00pm on 10 January 2011. Having reviewed my records, I now believe that discussion took place after the State Disaster Management Group meeting held at 8.00am on Tuesday, 11 January 2011 described at paragraph 71 of the Chronology.
4. At paragraph 119 of my Supplementary Statement, I stated that I attended a meeting with Mr Dennien, Mr Watts and the Minister at approximately 10.30am on 10 January 2011. That is incorrect. Rather, as paragraph 46 of the Chronology accurately states, I did not participate in that meeting but received an email from Mr Dennien following the meeting to the effect set out in that paragraph.
5. All the facts and circumstances deposed to herein are within my own knowledge, save such as are deposed to from information only, and my means of knowledge and sources of knowledge appear in this my statement to the Commission.
