Rob

Just putting together a Powerpoint for Peter Borrows who was in this morning. I'll send it to you in Powerpoint 1969.

I'm using 2.6 million ML inflow/outflow from Wivenhoe which including Somerset outflow.

Terry
Duty Engineer

Subject: Checking

HI, just checking you get this if you can reply please.

I will not do another report until 3pm so if you can do an update around 3pm that would be good. I was going to use 2,300,000ML as the total volume of the event thjrough Som/Wiv if you agree.

Rob
