Dear Ms Hendy

Requirement to Provide Information

We refer to the Requirement to Provide Information dated 26 April 2011 issued to Peter Borrow of Seqwater on 27 April 2011.

We note we have already provided the Commission with the required documents in our disclosure tranches in March 2011. However, for your convenience, enclosed is a data stick containing the required information, namely:

1. the full time-series sets used to create all model runs completed between 6 and 19 January 2011 for Wivenhoe and Somerset dams; and
2. all spreadsheets underlying the full time-series sets described above, at each iteration.

Yours sincerely
